

ACEA MOLISE SRL

PRESS RELEASE

Rome, 10 April 2020 - On March 3, 2020, the company CREA Gestioni srl, part of the Water Area of ACEA Group S.p.A., which manages the Integrated Water Services in the Municipalities of Campagnano di Roma and Termoli, as well as the water treatment plant in the Municipality of Valmontone, has changed its name to ACEA MOLISE srl.

The new name highlights the Group's commitment to the territory of the Molise Region in terms of water service management, for which the Group ranks among the best providers in Italy for quality of service and number of customers.
