

## PRESS RELEASE

### **THE ACEA GROUP TAKES PART IN "M'ILLUMINO DI MENO"**

**Tomorrow evening, Acea and its subsidiary companies operating in Lazio, Umbria, Tuscany, Campania and Molise will turn off the lights of their offices**

**Again this year, Acea promoted to students an educational project about aware energy consumption**

**Rome, 10 March 2022 - Acea, together with other Group companies such as Acea Ato 2, Acea Ato 5, Acea Energia, Acea Innovation, Acea Molise, Areti, Acquedotto del Fiora, Geal, Gesesa, Umbra Acque and Umbria Energy, takes part in the 2022 edition of "M'illumino di meno",** an initiative promoted by the Caterpillar broadcast of Rai Radio 2, created to raise awareness among citizens on the issue of energy saving.

**Tomorrow 11 March, from 18.30 to 19.30, Acea will switch off the lights of the headquarters in Piazzale Ostiense and of the Acea Energia headquarters in Viale dell'Aeronautica, in Rome.** The other companies will join with similar initiatives in their offices in Umbria, Tuscany, Campania and Molise. The goal is to support the awareness campaign on the importance of aware use of electricity. This year is a historical moment where energy issues are becoming increasingly important and decisive.

Energy and sustainability are also the central themes of **AceaScuola Digital: "SiAMO energia! Turn off the light and turn on your imagination",** an educational project designed to raise awareness among students through a **multimedia educational platform** that explains the challenges posed by the energy issue, from the use of renewable sources to the need to reduce unnecessary consumption in everyday life.
