Università degli Studi di Roma

## PRESS RELEASE

### MEMORANDUM OF UNDERSTANDING SIGNED BETWEEN UNITELMASAPIENZA AND ACEA TO PROMOTE TRAINING ACTIVITIES

**Rome, 22 June 2022** – A memorandum of understanding was signed yesterday, 21 June, between the University of Rome, **UnitelmaSapienza**, and **ACEA Spa**. The agreement is aimed at promoting educational and scientific activities and includes a collaboration to develop the academic enrichment of new generations and promote a constructive debate in order to bring university teaching closer to the needs of the world of work in the sector.

The meeting was attended by **Antonello Folco Biagini**, Rector of UnitelmaSapienza, **Claudio Mancini**, Head of Human Resources at ACEA, **Federica Marinetti**, Acea's Head of Talent Acquisition and People Development, **Donato Squara**, General Director of UnitelmaSapienza, **Giuseppe Rodà**, Area Poli Didattici e Convenzioni UnitelmaSapienza (Courses and Agreements Area), **Roberto Sciarrone**, Press Office UnitelmaSapienza.

With this agreement, the children of the employees of the multi-utility will have the chance to access the training courses offered by UnitelmaSapienza at a dedicated rate. Furthermore, the company and the university will develop synergies when organizing specific training programmes.

*'It is a great pleasure to sign a memorandum of understanding with Acea Spa, a leading company in the energy sector that has been working for years to offer high-quality services which are essential for people's daily life – water, energy, lighting and waste treatment,' stated the Rector. 'This is a training opportunity of relevant importance for our university, taking into consideration the common values shared by our institutions such as sustainability which, at the same time, has always characterized and guided the Group's business choices and operating management.'*

*'We are satisfied with the agreement signed with the telematic university UnitelmaSapienza. It is a concrete support for the families of ACEA people, who will have the opportunity to take part in training courses remotely. A sign of closeness and attention which underlines the fundamental role played by education and training during the growth path of young people,' said Claudio Mancini, Head of Human Resources at ACEA.*
