ACEA ATO 2 HOSTING IN ROME ON 19 AND 20 OCTOBER THE EVENT “TRANSIZIONE ECOLOGICA E DIGITALE NEL SERVIZIO IDRICO INTEGRATO. STRUMENTI, PROGETTI, SOLUZIONI” ORGANISED BY SERVIZI A RETE TOUR

Rome, 17 October 2022 – Operators and companies called upon to promote the human aspect of the management of the *Res Publica* by defining the solutions for an optimal management of the water resource. This is the goal of the 8th edition of the event “*Transizione ecologica e digitale nel servizio idrico integrato. Strumenti, progetti, soluzioni*” (Ecological and Digital Transition in the Integrated Water Service) organised by Servizi a Rete TOUR and hosted by Acea Ato 2 in Rome on 19 and 20 October.

At the “Centro Congressi La Fornace” representatives of utilities, institutions and experts in the field from all over the country will deliver significant speeches and give some previews on new projects. Alongside the representatives of the operators, there will be the companies with which they have collaborated and discussed.
