### **ACEA ENTERS THE MIB ESG INDEX**

**The company is among the most virtuous listed companies in terms of sustainability criteria**

**Rome, 13 December 2022** - Euronext has announced that from Monday 19 December ACEA will be included in the MIB ESG environmental sustainability index, the first ESG (Environmental, Social and Governance) index dedicated to Italian blue-chips, designed to identify the major listed issuers presenting best ESG practices. The methodology underlying the index reflects a ranking of the top companies based on ESG criteria, selected from the most liquid Italian companies and excluding those involved in activities that are not compatible with ESG investments.
